**CONGRATULATIONS!**

Peter Davis showed a DVD on the history of the MGB, with comments from John Thornley and Don Hayter. It also showed racing in the early days. Very informative film.

Thank you Peter.

On Saturday, June 13, several members got together at the Rush Street parking area for a drive to Rocky Mount Museum in Piney Flats.

After a drive through the countryside, we stopped at the South Holston

Dam, where we enjoyed a beautiful view of the area.

We then drove to Ridgewood BBQ for a delicious lunch before proceeding to Rocky Mount Museum.

The plantation was built between 1770-1772 by the Cobb family and was the first Territorial Capital of the Southwest Territory before becoming the State of Tennessee in 1796.

## NAMGBR MEMBERSHIP INFORMATION

The North American MGB Register (NAMGBR) was formed in late 1990 as the result of a strong demand for a non-profit, democratic organization which would be run by MG enthusiasts, for MG enthusiasts, where...

- The MGB Register would be dedicated to maintaining and expanding interest in Britain's most popular sports cars...the MGB and MG Midget. Each and every member would have a vote on policy.
- The Officers would be elected by the membership and would offer themselves for re-election at the Annual General Meeting.
- The finances of the Register would be open to all, at any time.
- The MGB Register membership would be open to all, with no restrictions, and where ownership of an MG would not be a condition of membership.
- ACTIVITY, ENTHUSIASM and DEDICATION would be cherished. At the founding meeting, attended by enthusiasts from three continents, it was agreed that MG Midgets and MG 1100/1300s would be welcome in the Register and would be actively supported by their own sub-registers. NAMGBR also sought and gained the approval and support of the parent MG Car Club in England, the oldest and original of all MG clubs. NAMGBR is the only national Register of the MGB and Midget in the United States, Canada, and Mexico officially sanctioned by the MG Car Club UK and is proud to count amongst its honorary members Don Hayter, who styled the MGB while Chief Engineer at the MG Factory in Abingdon, Geoff Allen a long-time factory employee, and Ken Costello, inventor of the MGB GT V8.
